

## **New Café and Catering Social Enterprise at Badaguish**

**We are seeking proposals from interested individuals or businesses to help us develop and operate this project.**

The successful applicant will be able to demonstrate:

1. A pro-active, positive and creative approach to include work experience and supported employment opportunities into the day to day work programme.
2. An interest and ability to work closely with our care and instructional staff.
3. A track record of previous successful business development.

The Trust runs JobConnect school work experience programme to provide day release training placements at Badaguish for local school children with special educational needs.

Badaguish Centre is owned and operated by Speyside Trust. It is a local charity to promote equal opportunity access to outdoor education and training for people with disabilities and for youth and community groups.

The Centre comprises 8 self catering lodges, a campsite and a specialist respite holiday care unit for people with learning and multiple disabilities.

**Written submissions only with a full CV to:**  
The Director, Speyside Trust, Badaguish, AVIEMORE. PH22 1QU.
